Section 5: Eligibility – what we look out for

- Consideration will be given to requests which fall within the stipulated focus areas.
- Requests will be received throughout the year.
- Approved projects must be located in areas/regions where AFGRI has operations.
- Sustainability of projects is crucial as are sound financial practices and systems.
- Community buy-in is vital in ensuring long-term stakeholder commitment and ownership.
- Engagement with other stakeholders such as relevant Provincial government departments and local municipalities will be desirable.
- The project's core values must be integral to AFGRI's CSI objectives.
- The project needs to be properly constituted and demonstrate good governance in all its activities.
- Regular feedback on the project implementation, including reflection on lessons learnt and difficulties encountered should be documented.
